Coming and Going

We are in the process of finalising our student numbers for next year and start the task of forming our classes. If you know of anyone who is interested in having their child attend our school please direct them to the office. Similarly, should you be an existing family that is moving from our area also please let us know so we have an accurate idea of how many students we will have in each grade next year. Thank you for your assistance.

Have a lovely week.

Student Health Care Plans

We are currently reviewing our student medical records. It is essential that our office has a copy of your child's most up to date Action Plan. Additionally, if your child is on any medication that we may not be aware of (this includes medication administered regularly at home) please contact the office and we will send the required paperwork home with your child to be completed and returned.

School Fees

Thank you to those families who have paid their school fees. The year is quickly coming to an end and there are a small number of families who still have fees outstanding. Please finalise payments ASAP. You can pay by cash or cheque at the office or through Parent Online Payment on our school website. Thank you.

Have Your Say on Before and After School Care

The NSW Government is committed to providing before and after school care to all students of public primary schools in New South Wales. As part of the reform, [a parent web form](#) has been established by Service NSW that will enable parents to tell the department about their specific care needs and to stay up to date with any new developments.

The information provided by parents will help the Department of Education to understand your needs, give them insights into where there are gaps in service delivery and help to ensure the extra places are delivered where they are required.

Have your say today at <https://www.service.nsw.gov.au/basc>.
